

Inspection of HMP Littlehey

Inspectors visited this prison in September 2023.

We wanted to find out if things were better, the same or worse for prisoners since we last visited in 2019.

We did this by:

- looking around the prison
- asking prisoners and staff to fill in a questionnaire
- speaking to prisoners
- speaking to staff and helpers
- reading documents.

What did we find?

Prisoners felt safe.

We gave the prison 4 out of 4 for this.

Prisoners were looked after well by staff, but the prison needed lots of repairs.

We gave the prison 3 out of 4 for this.

Prisoners needed more to do.

We gave the prison 2 out of 4 for this.

Prisoners were quite well prepared for release.

We gave the prison 3 out of 4 for this.

What should the prison do?

We want the governor to read our inspection report. You can find the report in the prison library.

We want the governor to make a plan. The plan should tell us how they will fix the problems at HMP Littlehey and make things better for prisoners.

What do we want to happen?

We want there to be more doctors and nurses to give health care to prisoners.

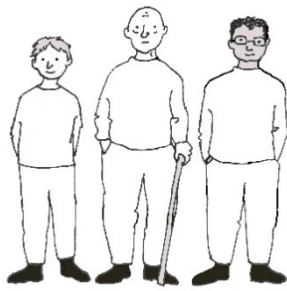

We want medicine to be stored properly and given to prisoners safely.

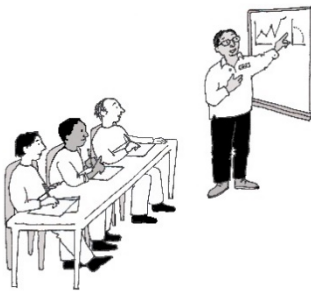

We want broken things in the prison to be fixed. We want showers to be improved.

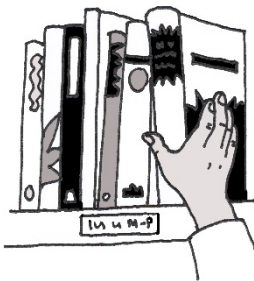

We want more prisoners to be able to go to education and work.

We want the prison to do more to find out if prisoners are being treated fairly.

We want prisoners to get better maths and English teaching. We want prisoners who don't speak much English to get more help.

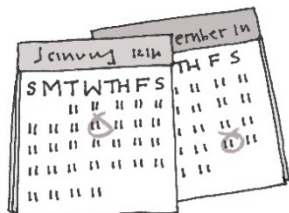

We want the prison to find out what help prisoners need with their reading and writing. We want them to make a plan for how they will help.

We want prisoners to get better support from offender managers, so they can plan for their release from prison.

What will we do?

We will come back in a few years to check how well the prison is doing. We will write a report to tell people what we find.
